

Any comments about footpaths

Footpath Improvement Audit.

Dear Tibberton Resident,

We live in a lovely county and many of you enjoy the footpaths around the village. The Parish Council would like to collect information about how well the footpaths in the main part of the village are used.

The information collected will help us to keep the footpaths maintained for your pleasure. We need your help to collect this information and your comments on any problem areas that may need some attention.

Please could you look at the map on the following page and mark on the map what routes you use.

We hope to get all the information together by **May 24th, 2025**, and then apply for grants to improve any paths/stiles that need attention. You can fill in the form anonymously or add your name and contact details if you prefer. There is space at the back of the form to add comments. Thank you for your support.

Please return by 24th May 2025 to

amanda.horniman@tibberton-gloucestershire.org.uk

Paper versions can be left in the phone box in the village or delivered to Greenacre, Meredith Lane, Tibberton.

We look forward to hearing from you.

Tibberton Parish Footpaths

Please take a look at this map and if you have used any of the footpaths recently, please mark an X over each footpath shown on this map. For example:

If you would like to see an improvement to a stile or footpath surface mark the location on the map with a circle and provide a description over the page. For example:

Produced by Tibberton Parish Council using Gloucestershire County Council Public Rights of Way (PROW) mapping and references. 2024 (Not to Scale)
